Way Family Genealogy Report
By Fred Hauck

I had been alerted to a doubt that my previous records were correct going back 9 generations. This report starts with the 3rd generation and makes no claims about the 1st and 2nd generations. However, those having been born in the US would be considered correct.

The Family Tree Maker Report was prepared using Way Family records provided by children of James Vincent Way, and extended with facts taken from a book titled "Descendants of Robert and Hannah Hickman Way of Chester County, Pennsylvania", compiled by D. Herbert Way of Woodstown, NJ. The early records of D. Herbert Way are questioned.
